

ELKS DRUG QUIZ SHOW

OUR GOAL

The Elks Drug Quiz Show strives to assist youth in acquiring the knowledge, skills and confidence needed to make healthy decisions, particularly regarding the use of alcohol, drugs and tobacco, as well as building life skills for dealing with stress, conflict, bullying, and grief, while increasing their self-esteem and improving their decision-making ability.

Elks Drug Quiz Show Impacts on Youth

- ★ Understand the risks and dangers of alcohol, drug and tobacco abuse
- ★ Nurture self-confidence and build self-esteem
- ★ Build connections with peers, adult advisors, and the community
- ★ Learn to handle bullying, grief and stress
- ★ Reinforce life skills such as decision making, conflict resolution and healthy eating

Everyone's a Winner!

Although one team may walk away with the title, just for getting involved and learning so much, participants are all "WINNERS" in the most important game of all – life!

Everyone's talking about the **ELKS DRUG QUIZ SHOW**

**30,000 Middle School Students
Can't Be Wrong!**

Using the provided Learning Center material along with study aids, the youth learn about the risks and dangers of alcohol, drug, and tobacco use. They are provided with information to help them develop Important life-skills in dealing with conflict resolution, stress, bullying, and grief. The fact-based material is presented in a non-threatening manner reinforcing their skills in decision-making while teaching them how to handle stress and their feelings. The Elks Drug Quiz Show is a volunteer run, cost effective program, which is easily implemented. The positive impacts to the youth and community are immeasurable.

How the Elks Drug Quiz Show Works

- ⦿ Youngsters sign up in teams of up to 7.
- ⦿ They study the materials provided.
- ⦿ 1st round questions are answered by the team.
- ⦿ 2nd round questions are answered individually.
- ⦿ 3rd round questions are answered using the game buzzer and light system.
- ⦿ The winners proceed to the state competitions.

Distributed by the Elks Drug Awareness Program
Funded by a Grant Received from the Elks National Foundation
