NEED YOUR HELP!!!!

Back in 1989-90 the Youth Camp was in need of a new dock but didn't have the funds to support it. In November 1991, unfortunately for us, we lost Mike Hines due to cancer. Keith Fjoslein was the Exalted Ruler in 1992-93 and we decided to raise the money for a new dock and dedicate it in Mike Hines memory. We raised \$9,000 in cash donations from the membership. We purchased the new dock and a top for one pontoon lift. 13 years later, this dock we dedicated is in need of new boards and the pontoon lift is in need of a new top. We need between \$2,500 and \$3,000 to accomplish this. Therefore, we are asking for your help. We have 500 members and we are sure we can get the donations to purchase this need for the Youth Camp, our State Project. Make your tax deductible check payable to the Minnesota State Elks Youth Camp and send them to the lodge. Thank you in advance for your consideration.
