Exalted Ruler's Message

Members All,

I hope everyone has been enjoying their summer. It's seems like it's flown by so quickly this year. We did quite a lot in August – we hosted a Little League Championship Picnic where the competing teams came and had a nice time with their families after their games. We also hosted the Annual Day for Disabled Picnic, Early Childhood Program Picnic, Boy Scouts overnight weekend and our Annual Car Show. Local dignitaries were present at these events, which made it even more special for those in attendance. Our Officers and Committee chairpersons continue to do such a wonderful job with activities. We are always in need of more volunteers, so please try to attend the Lodge meetings to find out what's happening in and around our Lodge.

The Kids will be back in school soon, so one of our goals this year is to distribute Dictionaries to over 500 4th and 5th graders. We are also planning to donate the flags of our country to the C.V. Starr School. They are going to be proudly displayed in the school entrance or "Rotunda". We will also hold our annual September 11th Memorial Service –please try to attend this brief ceremony, it means a lot to many of us. The NY State Elks Fall Conference will be held in Albany from September 24th through the 27th. All Elks are welcomed to attend the conference and workshops. Please visit www.nyselks.org for more information. We have lots more planned in September, so please get involved. Remember...Elks Care, Elks Share!

If anyone has ideas for a lodge function, fundraising, or would like to submit something for the Lodge Bulletin, please drop me a note or place your idea in the Lodge Bulletin envelop at the Lodge.

As always, feel free to call upon me or any of the Lodge Officers if you have any questions or concerns.

Fraternally yours,

Dominick S. Talarico - E.R.

Cell: 646-210-0854 - email: domtheelk@hotmail.com

From the Secretary's' Desk:

Dues reminders were mailed out last month. There were quite a few members that were delinquent and didn't even know it. Please help us keep our records straight and let us know if you haven't received your notice, and remember to pay your dues if you haven't already. Please inform the Lodge Secretary of any change in address or phone number so we can keep our information up to date. I am at the Lodge every Saturday morning if you need to see me.

Fraternally yours,
Carole Campbell - Secretary.

A Message from The 52 Club:

Please remember to pay your 52 Club dues. If you're not a member of the 52 Club, please sign up and have a chance to win each week.

Contact Charlene See for details.

Major Projects Information

As you may or may not know, New York State Elks Major Projects Cerebral Palsy Home Service Program is a very powerful one, and represents an active collaboration between Elks and Cerebral Palsy Associations of New York State.

The program provides direct services to adults and children with disabilities and their families in their home environment, resulting in improved quality of life for many people. The money we raise pays these employees to travel thousands of miles through New York to provide whatever the client needs.

Your generosity means so much too so many! So please help us help all those people.

We really need your help. Please purchase a Major Projects Ticket and help make a difference in someone's life.

Thank you,

ER Dominick
