ELKS LODGE NAPA OUTING: A Relaxing Weekend of Fun and Fellowship

Our recent trip to the Elks Lodge in Napa was a delightful and relaxing getaway. Arriving on Thursday, May 16, a small but enthusiastic group of seven rigs gathered under beautiful, sunny skies. Some of us kicked off the trip by enjoying a tasty lunch at the Lodge.

Thursday evening featured an open mic night, which several members attended, adding a touch of entertainment to our first night. On Friday, we had a free day to explore Napa at our own pace. That evening, we all gathered at the Lodge for a "burn your own steak" dinner, which was a big hit and allowed everyone to share stories and laughter over a delicious meal.

Saturday brought another highlight--a visit to Yountville for the Sip and Stroll Wine and Art Festival. The festival, set against the backdrop of live music, offered a wonderful opportunity to sample local wines and appreciate the vibrant art scene. After a day of cultural indulgence, we returned to the Lodge to play bingo on the patio, rounding off the evening with more fun and comradery.

Sunday was our final full day, left open to explore Napa further or simply relax. This low-key outing provided the perfect blend of scheduled activities and personal time, making it a rejuvenating experience for all.

Special thanks to the Cooks and Watsons for hosting the enjoyable weekend. The Napa Elks Lodge proved to be a welcoming and picturesque spot, making our stay memorable. We look forward to many more such outings in the future.

Our next meeting is **Monday, June 3rd** at the Carmichael Elks Lodge.
