## TOM WILKINS

Tom has his usual duties of Treasurer but along with that he does so much more. Tom was instrumental in the planning and success of The Run for the Wall. He even coordinated parking on the first day of the event. He has helped bar back, and additionally keeps the Lodge organized. He was also the auctioneer at the Ladies After Tax Party dessert auction. He is also related to this month's Elk of the Month.

# VALERIE WILKINS

Valerie has been a dynamo. She organized the volunteers for Run for the wall, she purchased food for RFTW along with stocking up the kitchen with food on a weekly basis. I can tell you food shopping for a Lodge is a full time affair, and she does it beautifully. She is always ready to lend a hand and is married to our Officer of the Month.
