Summer Has Arrived at Lodge 309

I hope everyone is enjoying the summer months!
I am changing up the theme on the ER article this month as there seems to be confusion on how the Officers/Committees function within the Lodge.

We are an Incorporated lodge and although they have the title of Trustee in the lodge, we do not have a Board of Trustees. As an incorporated lodge, we have a House Committee and a Board of Directors and each hold a different function in the Lodge.

The Board of Directors presents a detailed and segregated budget for each upcoming year to be voted on by the membership by the second meeting each April. The BOD may not spend money without approval of the membership unless it is a recurring monthly bill. They are tasked with the responsibility to monitor revenues and expenditures for budgetary compliance, handle insurance, manage contracts, conduct an annual audit/inventory of the lodge property, establish an accident prevention program and reviews of lodge investments. The Board has no authority over the operation of the club facility, which is under the control of the House Committee.

The House Committee resides as the governing body of the Club and Social Quarters. They manage the club, bar and food services. Most employees within the Lodge report to the House Committee and it is responsible for hiring practices in the

When an organization orders pull-tabs, the serial number of the series is assigned to that organization. To redeem the pull-tab you must present it to the organization that sold it. The bartenders cannot redeem a pull-tab sold by another organization nor can they accept it in the tip jar.

Per state regulations. You have 21 days from the day the series sells out to redeem your winning pull-tabs. Please be prompt and we wish you luck!

DID YOU KNOW?!

A private organization, such as ours, maintains a special liquor license. It authorizes us to serve libations to our members and properly recorded and chaperoned guests.

If they are playing pool, darts, cards, bingo, listening to a band, swimming in the pool, attending a Lodge activity, or just enjoying your company, you must accompany them at all times.

A fraternal organization in town had their special liquor license suspended for failure to follow the state law regarding guests. Please do not jeopardize our license. Enter your guests' names in the Guest Book every time you bring them into the Lodge, no matter how often, and remain in their company until they depart.

Thank you for protecting our Lodge privileges for all our members.

Lodge. It is responsible for managing the social activities of the Club including scheduling of events within the Lodge. It is also charged with managing the daily operations of the Club in accordance with the approved House Rules. Act of conduct unbecoming an Elk on lodge property is subject to the control of the House committee. The HC controls fixing of prices and goods and services as well as decision pertaining to employment.

Each of the Officers on the Board of Directors and House Committee are voted on by the membership. They work to provide our Fraternal Organization with a safe and inviting environment and work at the direction of the Membership. I encourage each and every one of members to come to meetings, get involved, exercise your voice.

I hope this is helpful information. Have a wonderful September!

Remember to always treat others with kindness, assist when needed and volunteer often!

Christmas In July at Lodge #309

Elks Lodge 309 hosted Christmas in July his year! This fun filled event featured a live band, donations to our annual Thanksgiving and Christmas Baskets, and a wonderful time for our members! Over \$1,200 was raised by our members between the monetary, food, and raffle donations. Such a great head start to our annual community out reach to help those in need during the holiday season.

During the holiday season we feed several hundred members of our local community and make the difference for so many families. The holidays should be about celebrating what we are grateful for and spending time with those who bring joy and love into our lives. The goal of the annual Thanksgiving and Christmas baskets is to help create a memorable holiday for as many families as we can.

Thank you Grainger Painting, The Hatch Cover, Rose from Dangles, Senior Manuels, Travellis, Tamra O’Leary, Kevin & Anissa from Tasty Freeze, Rose Eve from All About Tabgles, Shannon Sullivan, Kimberlee, and the Splashers, for your donations to the raffle and to each member who came to support this event. Sherry Arvizu is a pro at this event, always putting in countless hours of volunteer time. She has been working with Ashley Jack the last couple years to show her all the tips and tricks. Thank you so much to these ladies and their continued dedication to our lodge and our community. Thank you to Dave Arvizu for booking great bands. Santa even made an appearance (Thank you Jon Olson) while passing through on his summer vacation.

Be on the lookout for our Thanksgiving collection to begin in October. Bring the items from the flyer to help fill the baskets!

Check out more pictures or add your own from this and other events on our Lodge Facebook page:

<https://www.facebook.com/Elks309>. Thank you to our members for being the best Elks and supporting the Lodge and the local community year round.

Roaming Elks Visit Cutty's Hayden Creek

The Cutty's Hayden Creek campout was good. The location is beautiful and there are lots of opportunities for activities, both at the campground and in the surrounding mountains, as well as in Salida. The campground, built in the 60's, so there are limited sites suitable for larger rigs, especially those with slides on both sides. We still had a great time. Sherry Kennedy is taking surveys from those who camped there and will report the results later.

Paul reported that our Treasurer Jean will snowbird in Arizona starting in November, and we will need someone to replace her. President Paul spoke about "Why I am a Roaming Elk." He heralded many positive reasons, such as --campfires, hot springs, swimming, great people at Elks' lodges, breakfasts, lunches, dinners, games, bingo, meeting new people, bike riding, happy hours, shopping, bird watching, star gazing, hiking, watching football together, reading, relaxing, hanging out with other campers, etc. He invites new members and old to come and have a great adventures together. Send him your favorite reasons, and photos to share at next meeting.

Meetings are the first Monday of each month at 7:00pm. Hope to see you there.

Join the Lodge Book Club

The Elks Lodge 309 Book Club - Read Between the Wine - would love to invite you to join our next book club discussion! Discussion takes place the last Thursday of each month at 6p.m. in the Pikes Peak Room.

Our July discussion took us back in a story set 100 year ago. The Great Gatsby by F. Scott Fitzgerald is a classic American novel about a mysterious neighbor in the Roaring 20s. Narrated by Nick Carraway, the timeless tale of love, deceit, money, redemption, and the American Dream. Discussion was as rich as Gatsby himself as many enjoyed this novel for the second time, but not since school days.

August book club will discuss *The Time Traveler's Wife* by Audrey Niffenegger. Discussion is planned for Thursday, August 29th at 6p.m. in the Pikes Peak room.

Book club discussion typically last as about 60-90 minutes and the lodge serves delicious Smash Burgers from 5p.m.-7p.m. every Thursday. If you do not have time to finish or even start the book, join us anyway to see how the whole thing works. We love the input, perspectives, and experiences we get to share with other members during our monthly gatherings.
