

## Sebring Students SHINE at Elks State Convention

The Sebring Elks Lodge #1529 hosted two students from Sebring Middle School who were First Place winners for the Americanism Essay Contest. Diane Morse, Leading Knight and Americanism Chairperson congratulated 6th grader Lucia Guillen and 8th grader Garrett Bihl after both students shared their essays on stage at the convention luncheon. Both Lucia and Garrett received \$1500 checks from the State Elks as First Place winners. Two local high school students, Jerico Burgos and Zoey Fox, were also recipients of Elks State College Scholarships. It was very exciting to share this event with our local students.
