## JIM BUTLER MEMORIAL GOLF TOURNAMENT Saturday September 7, 2024

We need volunteers for the day of the golf tournament, starting at 7:30 A.M. Hole sitters, registration helpers, auction assistants and meal helpers, but any and all help is appreciated to make this fundraiser for the Christmas Basket program successful. We are also looking for auction items and donations for Saturday's auction after the tournament. Signups are on the bulletin board, or contact Katie Keck, Gina Lee, Kevin Etris, or Erik Grotenhuis for more details.

### Kevin's ER Corner

Howdy Y'All,

Summer is coming to a close, which means kids are going back to school and the Lodge starts hopping. It also means Chiefs football is back as well, so come on up and join us cheering on the team. This is also the time where we have lots of volunteer opportunities to support our

Members and our community.

We have 3 major events coming up this month that are all needing support and donations. We have the Elks Memorial Golf Tournament & Auction supporting the Christmas Baskets, the annual Wild, Wild West party supporting the Elkette programs and the Car & Bike Show supporting Veterans and Scholarship programs. These are all very fun events and I'm looking forward to seeing y'all there. These are just a few callouts, but be sure to review the other events in the newsletter and bulletin board for more opportunities.

I would like to give a shout out to our event space managers, Logan Sousley and Kevin Huff. Logan runs the Room 2509 downstairs and puts in hours and hours of time and effort. Kevin manages the Lodge room rentals and does a great job balancing all of our Lodge events and rental requests. The next time you see these guys, please give them a pat on the back and a thank you for all the time spent and work they do.

Respectfully submitted,  
Kevin Etris, Exalted Ruler

### GRANT CORNER...THE IMPACT GRANT

The Impact Grant is a competitive grant of up to \$10,000 per calendar year and may be renewed twice. There are only a limited number of grants available and competition is fierce. Lodges must submit their plan to address a community need, call an Impact Intent. This part of the application process must include "how the project is Elks-led and how elks volunteers will actively participate."<sup>(1)</sup>

If chosen to move on, the Lodge must next complete the full application with the winners being announced in December of the application year. Unlike the other grants which run on the fiscal year of the Lodge, Impact Grants run on the calendar year. Another difference between the Impact Grant and the others is that the Impact Grant has quarterly reporting requirements.

There are strict requirements for the Impact Grant. The Lodge, it's members or employees cannot directly benefit from the grant: (2)

- Be charitable and address a local need.
- Have significant Elks involvement, meaning that a substantial number of Elks must actively participate by giving their time to the project.
- Be ongoing projects, not one-time or once-a-year events.
- Improve the lives of a population, not simply one individual or family.
- Be practical and results oriented.
- Have visible Elks identification and leadership.

Funds spent must coincide with the application. If funds are misused, the Lodge will be ineligible to apply for any new grant "for a period of time commensurate with the abuse."<sup>(3)</sup>

The First Responders Committee is in its second year of a renewed Impact Grant. We are the first and only Lodge with this type of project, so all eyes are on us.

Our initial grant focused on the following areas:

- Carbon monoxide/smoke detector installation.
- Hands-only CPR training for the community.
- Providing life-saving gear to first responders.

In 2023 we donated 180 carbon monoxide/smoke detectors and impacted 1357 community members. We also added Safe Sitter and Stop the Bleed classes with the approval of the ENF. We also had over \$6000 of In-Kind donations which covered snacks/lunches for class participants, stop the bleed kits, emergency blankets, face shields and flashlights; additional CO detectors and CPR manikins.

Our second grant has modifications as we learned what we were capable of and what the community wants were:

- Adding a Grandparents Safe Sitter Class to those we offer.
- Eliminating the Stop the Bleed class due to low enrollment and attendance at these classes.
- Evaluating the addition of a Preparing/Helping Elderly class.
- Evaluating the frequency with which we offer the CPR Hands Only classes as enrollment did drop off later in the year. Our focus will be on CPR Certification classes instead.
- Evaluate how many additional tourniquets we can provide for CJCFPD's initiative of a "tourniquets in every classroom."
- Cover participant costs for all of the Safe Sitter classes.

As of August 10th, we have impacted 789 community members and have over \$4850 of In-Kind donations so far in 2024.

Our committee hopes to secure the grant for a third year in 2025. You do not need to be a member of the First Responder committee to assist with any grant activity. As with everything we do as a Lodge, we are showcasing what **Elks** can do to improve our community, not just a specific committee.

Did you know that our Lodge has had the Impact Grant previously? In 2016 and 2017, the Veteran's Committee used the grant to "regularly supply and assist with distribution of Dignity Pantry items at St. Michael's Veteran Residence Center." (4)

If you have any further questions about the Impact Grant, reach out to Virginia DeBoard (virginiadeboard@gmail.com) or Tosha Grotenhuis (tg066598@gmail.com).
