

Sebring Elks Lodge Welcomes Jupiter and West Palm Beach Elks

On Saturday, August 17, the Sebring Elks Lodge #1529 welcomed visiting Elks from the Jupiter #2469 and West Palm Beach #1352 Lodges. The entourage arrived by motor coach led by Elks Motorcycle Riders from Lodge #1352. It was standing room only in the Jolly Corks Bar area with spill over into the dining room. The visiting lodges were met with snacks, games, gifts, and plenty of fellowship. They also bought Sebring Lodge fishing shirts from the recent Fishing Tournament and lodge pins were shared. Many new friends were made along with reconnecting with old friends.

After their visit they headed south to visit the Lake Placid Lodge before heading home. Pictured are the Elks Riders along with some of the motorcycles escorting the bus.
