WALT HONSE, EXALTED RULER

Greetings to all our Lodge Brothers and Sisters.

I am sure we can all say, that last month was definitely a Hot August.

At our District Deputy meeting last month, the North District Deputy, Travis Napolitan, shared with us what drives him as an Elk. It's Charity. Working with the youth programs offered by the Elks and community. He also loves being an Elk. It's now time our Lodge follow his energy and help the children at the Steel Research Center. We have a new book drive going on right now. This drive provides free books to children who are in the hospital for treatment. The Elks have long been associated with the Steel Research Center. They need new books, not used. For children ages 1-12. We need to support this great cause. For a child that is going through surgeries treatment and therapy, Books can transport a child's mind, to a much-needed alternative time and place. If for only a short time. Books do that for so many children. Contact the Lodge for details.

We continue to see "Elkdom in Motion" in our community in so many ways. Shout out to two of our newest members, Sarah Valle and Toni Martinez-Dow. For stepping up and volunteering to set up our Drug Awareness Program at MAL-C's, back to school night. They handed out coloring books red ribbons and educational information. Also Special thanks to Casse Weaton for her mentorship to them. Great job ladies.

The "Soci-a-tea event". Was a great time had by all. Mark Preo and Ernie Rozsi did a great and funny Vanna White impression. Displaying the pots for raffle. Also, the House Committee put on Hot August Nights. This event is always great. With this year being no exception. Arizona Thunder gave us a great performance. With Elks dancing the night away. Great job to all the volunteers who work hard to setup and make these events possible. The Lodge thanks you all. Be on the lookout for changes in the Lodge. Like the kitchen, our Lodge game room got a much-needed face lift. Check it out. We are looking for tournament coordinators. We now offer poker, pool and we have a new electronic dart board. So, all you shooters out there, come on let's get darty!

We are once again seeing the same faces volunteering. This core group can't do it all. We have over 600 elk members in this lodge. I'm pleading with you on behalf of those Elks. We need help. It's time you helped too. We are now in our busiest time of the year. Our Lodge committee chairs are overwhelmed and asking you to volunteer and help our children in the community. We have Soccer Shoot and Hoop Shoot, Americanism essay contest, Scholarship program, Charity events and DAP poster contest. All coming up very soon. This year, I'm asking you all to get involved like we have never done before. The chair of these committees needs your help to be successful. Signup sheets are posted on the wall in the lobby for what program you want to help. I am excited with our programs and events. To all those who have volunteered, Thank you. So be on the lookout on Facebook, Myelks, and www.elks.org. for all the upcoming events and changes. Until next month, take care of yourselves, love and hug your family. Don't forget to thank a Veteran and First Responder next time you see one. They deserve it.

Elk of the Month

Congratulations!

BRUCE HENDERSON

Long time member of our Lodge, owner of Henderson Construction, donated not only time but a very generous donation of materials to make our kitchen remodel possible.

His ideas and concepts helped to save us money, time and produced a beautiful new kitchen
