

#justonesweater

can make someone's winter warmer

In 2019, we started #justonesweater. Where did this idea come from? On one of my many business trips to Kalamazoo, Michigan, I met a young boy (Samuel) who has been collecting thousands of blankets for the homeless Samuel's Blankets for the Homeless. I came home thinking - we need to do something here in Anne Arundel County, even if it was Just One Sweater!

OVER THE LAST 5 YEARS WE COLLECTED OVER 44,000 ARTICLES OF WARM CLOTHING

Year One (2019) - 500+ sweaters, hoodies, and fleeces collected and distributed.

Year Two (2020) #justonesweater crushed our goal of 1,000 sweaters....we hit close to 8,000!

Year Three (2021) Over 10,000 articles of warm clothing were collected and distributed.

Year Four - (2022) We became an official 501c3 and collected over 12,500.

Year Five - (2023) Over 14,000 articles of warm clothing were collected and distributed.

THIS YEAR (2024) Our Goal - 15,000!

All clothing was distributed to food pantries, churches, and those in need across the State of Maryland.

And we couldn't do it without the help of our friends and family.

THANK YOU!
