

Sebring Elks Support Hands for Homeless

The Sebring Elks Lodge #1529 presented canned and nonperishable food items to the Hands for Homeless program. This food is donated by the Monday night bingo players. The food was taken to their pantry and will feed seventy families. Jane Breylinger, CEO for Hands for Homeless, thanks the Elks Lodge for their continual support to the program. It is especially helpful as so many are recovering from the past storms.
