

Sebring Elks Veteran of the Year

On October 15 the Highlands County Veteran's Council hosted their annual award ceremony for Veteran's and Non-Veterans. This event recognizes Veterans who go above and beyond. This year the Sebring Elks Club #1529 is proud to announce that Nick Cifelli is our Sebring Elk's Veteran of the Year. Nick served in the United States Army, and he served in Vietnam from 1971-1972. We thank him for his service to the United States and for all he does at the lodge.

In addition, Ron Schilffarth was awarded Non-Veteran of the year. Ron has been a member of the Elks for 21 years with 20 of those being at the Sebring Elks Lodge #1529. Although Ron is not a Veteran, he has been very active in supporting Veterans concerns and activities. We want to thank Ron for all he does for the Veterans and our lodge.
