

Sebring Elks Support the Hospice House & Camp Brave Heart

On Oct 2, 2024, some of our Elk Members were given the opportunity to visit the Hospice House in Sebring. They presented the facility with a check that will be used toward a scholarship for a child from Highlands County that has lost a loved one. This scholarship gives the child the opportunity to attend Camp Brave Heart in Lake Wales. Camp Brave Heart helps heal the grieving hearts of children and teens.
