

Sebring Elks Support the Local Junior ROTC Program

The SHS Junior ROTC program has been helping the Sebring Elks Lodge #1529 with many events during the past few months. They presented the colors for the opening of the recent Lodge Golf Tournament in September. They have also helped serve dinners at large events held at the lodge. In appreciation for all the volunteer hours and assistance, the lodge presented Chief Green and the cadets a check for \$750 with monies through the lodge Charity Account. Pictured presenting the check is Joe Stockenberg, Exalted Ruler, making the presentation to Chief Green and the SHS cadets.
