## Angel Trees

### Arnette House Angel Tree Christmas Party

On Monday, December 4th, the Ocala Elks hosted a Christmas party at the lodge for the children of the Arnette House. The party was primarily funded through donations from members, the OLEOs, and a minor contribution from our lodge's State Beacon fund.

During the month of November, members of Ocala Elks and the OLEOs shopped for stocking stuffer-type gifts, which were presented to the children at the party.

We served a variety of foods, including

hamburgers, chicken wings, tater tots, and pizza, complemented by cookies and treats for dessert. The evening was enlivened with dancing to music by DJ Mike Miller and several entertaining games. A highlight of the event was a special visit from Santa and Mrs. Claus, thanks to George Cooke PER and his wife Agnes, who used their special connection to make this happen.

The Arnette House, a 501c (3) charitable non-profit organization, plays a crucial role in supporting at-risk youth and families. They provide a 24-hour emergency youth shelter for children aged 10-17 and operate a state-certified group home. The organization's impactful work is heavily reliant on community contributions, emphasizing the importance of events like ours to make these children feel valued and supported.

Thanks to all the members and OLEOs who donated gifts, funds, and their time, the party was a huge success, and the children had a great time. I would also like to thank Lodge Esquire Keith Gage, who served as this year's Arnette House Christmas party chairperson.

Between January and the end of March, we will expand our lodge's charitable footprint as we launch our His House for Her and Kimberly's Center projects. If you would like to participate by volunteering, please let me know. I have provided my contact information below.

Cheers,

## LODGE 286 NEWS

Hello, my Brothers and Sisters,

Happy New Year and we are hoping that 2024 continues to bring growth and success to our Lodge as we continue to improve and grow as a Lodge and a family. In the coming year we are going to be doing many things to help get back on track and increase not only our membership but our presence in the community. We have made huge strides in making our Lodge the best in the North Central District and will continue to do so in 2024.

We had many great events in December, and you can get all of that info in my ER letter being sent to you. We did have a very successful Pre-New Years Eve party on December 29. We had a great attendance of more than 125 members and guests, and everyone had an exciting time.

The catering department did an excellent job in December with Holiday parties. Big thanks to Linda Butler Molten and Ashley Pauley on a fantastic job.

January will see some changes. The Queen of Hearts drawing is moving to Friday night. We are hoping for an increase in ticket sales and as a result the jackpot will grow faster. Our Tuesday night Bar Bingo continues to be well attended. Wednesday's trivia night could use some more participation.

We are sending out a members' survey to all present as well as former members. These will be confidential but will be read carefully so that we can know what you are thinking and would or would not like to see continue. We are doing this for many reasons. We want to get our membership numbers back up. We are going to make Ocala lodge the star of the North Central District. To do this we have to increase membership as well as correct any problems we are having. Lodge Leadership has been in close contact with district and state leadership on ways to keep Ocala on course. We have and are using their guidance to make corrections as needed. Thank you, Colleen Gallant, in your guidance in this.

Finally, I would like to congratulate our Elk of the month for January, I have never nominated an individual for Elk of the Month more than once. However, I have never seen a person work harder at this Lodge than Linda Butler Molten. She has helped the catering department run flawlessly. For this reason, Linda Butler Molten is the Elk of the month for January. Thank you, Linda, and congratulations.

Remember my Brothers and Sisters, Elks Care Elks Share.

Fraternally Yours,  
Mike Miller Exalted Ruler

## VETERANS

Happy New Year to all. Hope this year brings you all you hope for along with good health and happiness.

The month of December was busy for the Veterans Committee. Starting with a Christmas party at the Ft. McCoy Veterans Home in connection with the OLEOs and Santa. Everyone attending enjoyed the delicious snack and always fun to see if you get a special door

prize.

Then we had the annual Christmas party for the Veterans we have served this past year along with the agencies that make it possible for us to keep lending a helping hand. Also all the volunteers that helped in various events where we represented the Elks. I couldn't do anything without their help. a big Thank You to them. We had a record number in attendance this year. It was a fun time with great food and gifts for all the Veterans in attendance.

We only took one Veteran shopping using the Welcome Home Kit program. Jeff E. ( Army) was a very pleasant young man that was a trooper with the shopping. He was still recovering from some surgery, but wasn't going to let that stop him. He was excited to be able to start making things more like a home.

I want to Thank all that have supported the

Veterans this last year and look forward to being able to reach more Veterans with your help in 2024.

Remember the Elk's Pledge, "So long as there are Veterans, the Benevolent and Protective Order of Elks will never forget them."

Pam Kinard - Veterans Service Chairperson

## FLORIDA ELKS CHILDREN THERAPY SERVICES

Hoping you all had a very Merry Christmas and a Happy New Year! The holiday season is one of my favorite times of the year, not only because of the festive lights and joyful decorations that go up around town, but also because FECTS graciously gives us the opportunity to purchase gifts for the children we work with, as well as their siblings. Being able to play Santa Claus and hand pick out gifts, wrap, and deliver them brings so much

joy and happiness to the children and families we serve, and to me as well! This year we were also able to give out gift cards to families to use as needed thanks to the generosity of past state president wives, friends, and FLOE. Thank you all so much for the continued support of FECTS! Without all of you, none of this would be possible! Attached are a few photos of one of my patients Chloe opening her Christmas gifts from FECTS. I just recently started working with Chloe in November, and she has already started to show growth and improvement in many areas! I look forward to another great year with FECTS, and sharing more with you about the wonderful families and kiddos I get to see for occupational therapy! Thanks again!

Many of you know that I have been the ENF Chairman for the Ocala Lodge for several years now. As such I've kept my eye on the donations amounts making sure that we meet our goals. When we do reach our goals we qualify for grants that you read about in David Clayton's articles. These grants we use in our community to help fund many worthy projects. What you may not know is that we receive back in excess of four times what we donate.

I had never really focused of the scholarship side of ENF until this year. I agreed to serve as the District Scholarship Chairman.

Now imagine you are opening your email account and you find this email from the Grand Lodge "You have been appointed as a District MVS Coordinator for District No. 1760, effective immediately. As a District MVS Coordinator, you'll judge and appoint other judges for your District ENF MVS Scholarship Competition." This is what happened to me on December 29th. I really didn't know what to expect, I just dove in. After reviewing the information and reading some of the applications, I had an idea what needed to be done. I reached out to a couple of our lodge Ocala members and then recruited two more Judges, one each from two different lodges in our district.

There are 35 applications that have made it to the district level to be judged, by January 10th. After reading all 35 I can tell you that there are no two the same. I can also tell you that so far this has been an eye opening experience and given me an opportunity to see into a small portion of where our donations to the Elks National foundation go. The applications came from 20 female and 15 male high school seniors, all schools in the North Central District. Ocala Lodge had six students in the judging.

There are multiple areas that we are being asked to judge these young people in. Academics & Financial are both automatically scored. Judges are scoring with a scale of 1 - 10 for Community Service, Extracurricular Activities, Honors and Awards, Employment and finally an Essay. Reviewing and judging these applications is not as easy as you think, deciding on the scale we were given how someone you have never met stacks up.

Thanks for your donations that support these scholarships and the youth that will be the leaders of our country some day.

It's a new calendar year but in the Elks it's the final quarter of our year. As we close in on the end of the year, Elks National Foundation and the Harry Anna Trust donation numbers need a push. Last year we were number 1 in the state for per capita with Harry Anna and currently we are number 9. As for ENF our goal to meet is \$3,000 (\$4.80 per member) as of this article we are \$946 short at just **\$2,054**. Consider a one time donation or joining other Ocala Member that are in the ENF Fidelity Club at <https://www.elks.org/ENF/FidelityClub.cfm>. To support Harry Anna, you can make one time or monthly (sustaining donor) donation at <https://web.charityengine.net/floridaelks-donate>

## OLEO

Greetings,

Happy New Year to everyone. Each new year, we have before us a brand-new book containing 365 blank pages. Let us fill them with all the forgotten things from last year; the words we forgot to say, the love we forgot to show and the charity and kindness we forgot to offer. Forget the negative and accentuate the positive this year.

December was a very busy month for the OLEOS. We participated with Pam Kinard to host a Christmas party for the Ft. McCoy Veterans. They were many desserts and gifts for the veterans. Many of our OLEOS also helped at the Sunday Breakfast with Santa.

Our Christmas Dinner Dance was a huge success. The food was delicious with great service. The band, "Salt Run Creek", provided us with wonderful music that evening. Some people were even dancing in their seats. Our chairperson for this event was Linda Crawford.

That evening we had our drawings for our Christmas tree raffles. One of the nice things about the winners were that they were all in attendance. Michele Maier won the Purple/Gold Tree; Gary Smith won the Elegant Tree and Jack Mattheus won the Red Family Christmas Tree. Seeing the joy and surprise on their faces made it all worthwhile. Thank you to everyone who purchased tickets. This will go a long way with our charities. And a "big" thank you to all the OLEOS who donated and gave their time to making this such a success. See pictures attached.

Our OLEO Christmas Luncheon was held at Betty Kutz's home. We had a great attendance and the food was delicious and the gift exchange was fun. Thank you, Betty, for hosting.

Coming up on Saturday, February 10, 2024 will be the OLEO Valentines Sweetheart Dinner Dance. Our music for the evening will be "Trish and the Party Train". Everyone had a fantastic evening with them last year so we expect an even bigger party. The tickets for the evening will be \$50 each and will include assigned seating in the lounge and dining room. Tickets will be available by January 8. See attached flyer for information.

Saturday, March 9, 2024, we will be having Bunco. Write this down on your calendars now. Saturday, May 18, 2024, we prepared to be entertained at our Variety Show. Adella Ashton is chairperson and may be contacting you to entertain at the show.

Our next meeting will be Thursday, January 11, 2024 at 5:30 PM. Come and bring a guest.

Happy January birthdays to: Karen Wisdom (7th); Tracy Armstrong (12th); Suzanne Ingrao (15th); and Darla Smith (31st).

Sincerely,
