Diana Reveles Exalted Ruler

Greetings Esteemed Members,

This month has been a scorcher! Wouldn't you agree? Well, I have some good news for you. Your lodge is here providing a "Cheers"

like atmosphere for you to relax and enjoy. Hopefully, if you remember the sitcom, it will make sense. This is to the credit of all the volunteers that work behind the scenes to make that possible. I wanted to thank everyone for their time and dedication to our Lodge. This is not accomplished by one single person or one particular group, but it is the overall efforts of all. There are several ways to get involved in volunteerism. All you need to do is show up for any of the committee meetings that you are interested in. The information is in the monthly Calendar. For example, we are always looking for volunteers who have a passion for our Veterans and are willing to serve. In Elkdom, there are several Elks National Foundation (ENF) programs that every lodge actively participates in. The Elks Veterans Program being one of them. Sadly, I did want to mention the passing of our Vets Committee Chairperson who unexpectedly passed away. We are carrying on in his memory to implement some of his ideas and vision for the Veterans Committee. Also, please save the date and look out for the upcoming Veterans Day Celebration on November 9th here at your Riverside Lodge. Again, please do not hesitate to join a lodge committee and if you need any additional information, you can let me know.

Thank you,

Diana Reveles

A CALL TO ACTION from your Lecturing Knight,

This month we have a great opportunity to rally for Veterans and for Elkdom! Come to the Salute to Veterans First Annual Charity Car Show on Saturday the 21st, 8am to 3pm. But just as important, help us get the word out! Bring your family and friends. Share the event on your social media. Tell people they get to come and party and eat and see cool cars and have a good time for a great cause! The lounge will be open! Parking will be available next door.

If you know someone with a cool car, get the entry form to them!

*TLDR info: Money raised from food sales at this event will go to our own veteran's committee to support their efforts. Money raised from the entry of cars into the event will go to the **Salute to Veterans Parade Committee** to cover expenses for Parade and Expo on November 9th.*

See you there!

Veteran Committee—ER Diana Reveles Chairperson

We are sorry to report that our Veteran Committee Chairperson, Tom Tilden, passed away suddenly. He made such a difference in the short time he was chairperson. He will be missed. Please keep his family in your prayers.

The information below is from our August Bulletin.

Tom's ideas and plans:

The Fallen Comrade Table and the Service Flags have been moved to the main lobby near the front door. We are still working on improving the lighting in that area of the lounge and getting a spotlight on the Battlefield Cross Memorial.

We have a major event coming up soon! The "Salute to Veterans" Parade organization is hosting a classic car show at our lodge on Sept. 21, 2024. This is a great fundraising event for our committee as we will be selling hamburgers and hot dogs to the estimated 300 participants. Please let us know if you are interested in helping.

The Salute to Veterans Parade itself will be held on Nov. 9, 2024 in downtown Riverside. If you have an idea how we can participate let us know. Do we want to do a float, bring your individual classic cars or anything else you may think of? Don't forget, that day we also host all veterans to a free lunch at the lodge and we have already booked the "Lindy Sisters" to perform again!

We are also looking to re-engage with the VA Hospital at Loma Linda, since COVID put a stop to everything. We have been in touch with the management team there and they were happy to hear from us and ready to help work on a plan to get us involved again.

The Veterans Services Committee meets on the 3rd Tuesday of every month, 6:00 PM at the lodge.

**If you are interested in joining the Veteran Committee,
please come to the next meeting on Sept. 17th at 6:00 PM**

August Highlights

We had an absolute blast last night at the Elks Country Night! It was a packed house, and the energy was amazing.

The food was delicious, and the decorations were absolutely adorable. Winslow Country rocked the night with their outstanding performance!

A huge thank you to all the volunteers who made it happen—cooks, servers, food prep, and decorators: Kristina Wendt, Rose Barr, Sandy Ruyle, Tina Hurley-Sydow, James Skaggs, Julie Greenberg, Helen Williams, Evelyn Eckroth. And a special shoutout to our bartenders, Sherry and Kristen, who kept everyone hydrated.

Also, a big thank you to Steve Gilson and Steve Taulli for helping me with the opportunity drawing! Pictures and write up came from Facebook posted by Pam Elias—thank you.

Drug Awareness Committee Chairperson Rosemarie Smith

Our Lodge Drug Awareness Program's Mission is to inspire, to educate, to support, and to assist our schools and community.

Elks National Drug Awareness Program - the largest volunteer drug awareness program in the United States. We are very proud of our dedicated army of volunteers who freely give their time and talents to this most noble cause.

The Elks are committed to eliminating the use and abuse of illegal drugs by all members of society and believe that in order to ensure a bright future for our country, it is essential that our children be raised in a drug-free environment.

This month I would like to talk about **Fentanyl**, which is the leading cause of drug related deaths for Americans 18 to 49. In Riverside County alone, there is at least one fentanyl-related deaths every day. Teen overdose rates are the **highest** in history. The DEA estimates that 6 out of 10 fentanyl laced pills contain a lethal amount for overdose (one pill can kill).

Fentanyl is a potent synthetic opioid drug approved by the Food and Drug Administration for use as an analgesic (pain relief) and anesthetic. It is approximately 100 times more potent than morphine and 50 times more potent than heroin as an analgesic.

Fentanyl can be snorted/sniffed, smoked, orally by pill or tablet, spiked onto blotter paper, patches, sold alone or in combination with heroin and other substances, has been identified in fake pills, mimicking pharmaceutical drugs such as oxycodone. Similar to other opioid analgesics, fentanyl produces effects such as: relaxation, euphoria, pain relief, sedation, confusion, drowsiness, dizziness, nausea and vomiting, urinary retention, pupillary constriction, and respiratory depression.

What can we do as Elks?

Educating ourselves and educating our youth is where we begin. Contacting our local agencies and rehabilitation facilities to get information and see what programs they offer. I am attaching Links for your reference.

Notes: Developing a strong bond with your children at an early age is important, but as the parent or grandparent, it is your job to provide the rules, structure, and discipline to raise a healthy child. Be a parent, not a pal. Set rules and consequences for breaking Structure, communication help to discourage drug use those rules. Your children will surely test you by pushing the boundaries. This is to be expected. Stay strong and follow through with the consequences that you set. Children and grandchildren of Elks need to know that without boundaries, they will be lost.
